Financial Aid

Mid-America has been blessed with the ability to assist students in need through friends, alumni, and current faculty, staff and students. Donations received from friends and alumni are generally directed toward scholarships which assist students with tuition, housing, books, and other living expenses. Monies received from faculty, staff and students comprise the Student Benevolence Fund, which helps students and their families with emergency needs. All of these funds are distributed through the Student Aid and Scholarship Committee.

Scholarships

The Student Aid and Scholarship Committee administers the various scholarships and student aid money received by the Seminary. The Director of the Campus serves as chairman of the Cordova Campus committee, composed of three faculty members, and the Chief Business Officer of the Cordova Campus. At the Northeast Branch, the faculty plus the elected student body representative serve as the Student Financial Aid Committee.

There is an application period twice a year where all students in their second year of study and above (30+ hours) are allowed to apply for scholarships (both General and Specific). During the month of October or July, all existing students may fill out scholarship applications to submit; you may also contact the Campus Life Office for applications by e-mailing campuslife@mabts.edu.

NOTICE: Please check beginning in July for Fall 2015 scholarship applications.

Student Benevolence Fund

Faculty, staff, and students contribute regularly to the Student Benevolence Fund to provide emergency tuition and financial assistance to students. These funds are distributed by the Student Aid and Scholarship Committee. Applications (see below) may be filled out and submitted at any time.

Emergency Tuition and Financial Assistance Application

Northeast Branch Financial Assistance
For information regarding Northeast Branch scholarships and financial assistance, please contact 518-355-4000. Relief funds for students at the Northeast Branch are distributed through the Director’s office.

For more information, please contact Campus Life by e-mailing campuslife@mabts.edu or calling 901.751.3079.
