Readmission of Former Students

Out of School One Semester

No readmission requirements are imposed on associate, bachelor, or master students who have dropped out of school for one semester (special or summer terms do not figure in calculating semesters).

International students on a F1 Visa must maintain continuous enrollment as a full-time student in order to maintain the visa status and avoid illegal residence in the United States.

Out of School More Than One Semester

Students who have not been enrolled for more than one semester (excluding special or summer terms) must submit a new application to the Seminary. Applicants must complete a background check authorization form and answer the personal questions concerning God-controlled living. A nonrefundable application fee of $35.00 must also be included. The Admissions Committee reviews these materials, and the applicant will be advised of any special requirements concerning readmission.

Graduated but Returning

Students who graduate from Mid-America and want to return within one calendar year of graduation must complete an Application for Readmission and submit a letter of explanation describing their activities since graduation. A non-refundable readmission fee of $25.00 must be included with the application.
