Area Library Links

Formal and reciprocal cooperative agreements among libraries in the area enable students and faculty to draw on resources not available at MABTS. Because lending policies vary among the institutions, check with the librarian here before contacting other libraries. For visitor privileges, if they require a Letter of Good Standing or a card showing you’re a current student, please contact Mary Teed at mteed@mabts.edu or Terrence Brown at tbrown@mabts.edu with your request.
