The screenshot below is what appears when a student logs in to register for classes through his MABTS SonisWeb account.

General Protocols for Registration:

1) Registration times and process for Mid-America Seminary applies unilaterally to all students enrolled on all campuses and extension sites.

2) Mid-America registers students online through SonisWeb (www.mabtssonisweb.com), its academic software.

3) The registration period for any given semester will last at least 30 days and will culminate on the day of New Student Orientation.

4) During this time period, students at all branches and extensions may register themselves and complete payment online via Nelnet.

5) It is Mid-America’s policy that students are not considered registered until payment is complete.

6) If a student does not register by the last regular day of registration, they will have one last opportunity to register on Late Registration Day but with a $100 late fee. For Fall Semesters, the Late Registration Day will be the Monday before classes begin. For Spring Semesters, the Late Registration Day will be the Friday before classes begin.

7) Students who register on Late Registration days will be able to complete a payment plan online through Nelnet. They will, however, have to put down 20% of their tuition at the time of registration.

8) After Late Registration Day, Nelnet will be closed and no student will be able to
create a new payment plan online. Existing payment plans may be amended at any time to reflect drop/add adjustments.

9) During the four (4) business days following Late Registration Day, students may enroll in classes at Mid-America, but payment must be made in full at the time of registration. After this date, registration for the semester will be closed. Anyone not enrolled will have to wait for the following semester.

10) For payment in full, the Business Office accepts cash, checks, money orders, and the following major credit cards: MasterCard, Discover, and American Express. Please note: Mid-America does NOT accept Visa.

11) Students paying through a credit card will be charged a convenience fee of 2.75% in addition to tuition.

12) It is the policy of Mid-America that we do not offer payment plans through any other means but Nelnet. No arrangements will be made with any office, branch, or extension to make payments directly to any office over the semester.
