

ADRIAN ROGERS PREACHING CONFERENCE 2023

DR. ADRIAN ROGERS, long-time pastor of Bellevue Baptist Church, founder of Love Worth Finding Ministries, and faithful friend and champion of Mid-America, referred to the school as “Scholarship on Fire.” Capturing this spirit and honoring his legacy, the Adrian Rogers Preaching Conference is a Mid-America tradition in which impassioned, Christ-centered preaching is on glorious display. This year, the Conference will be held in the Mid-America Chapel in conjunction with our annual **Founders’ Days**, creating a three-day celebration to which you are invited!
